IS THAT FRANKIE'S JACK & DANNY?

HERE'S a sight for sore eyes fellas, Frankie Sandford of The Saturdays showing what looks like a glimpse of her shaven snatch through her lacy panties.

The 21-year-old London-born warblist was out on the town with a few chums when our snappa grabbed this shot as she was leaving a limo.

Now apparently Frankie came fourth in a poll of Britain's sexiest women earlier this year, but tell you what fellas, when this pic gets around we reckon she'll shoot to No.1

And speaking of shooting we don't mind telling you, there were fellas in our office smegging their kecks when they saw these pics!

NE'S BACK!

And her new film's her filthiest yet!

HAVE you been a very naughty boy? Are you ready for repentance? Well let Mistress Sinclair guide you towards the light via a dark journey, on a path lined with rubber and PVC, with frequent breaks for spanking.

Whatever your sin she has the perfect punishment that's sure to be an intoxicating combination of domination, atonement; all the while getting your rocks off.

For their 15th birthday celebrations Television X lured the original Page 3 girl Charmaine Sinclair back into the naughty world of smut-films for their brand new flick T*he Deadly Sins Of Mistress Sinclair*.

You can watch Charmaine sharing her experience and instructing some of the latest porno girls like India and Katie Kaliana how to pleasure men properly.

You can watch Charmaine bending Hannah Shaw and Katie K over her knee after they misbehave. You can even watch Charmaine indulging in such shocking and depraved acts that you won't believe your eyes.

The first scene features harassed boyfriend Demetri complaining about his missus. Some girls are greedy and Mistress Sinclair won't stand for greed so she takes busty Katie Kaliana to task, explaining that the only thing she should be greedy about is Demetri's cock!

Leading a double life as a glamour model and a mistress can be tricky and sometimes her alter ego can spill over into real life. As she's shooting a naughty photo set for Television X featuring nymphettes Katie K and Hannah Shaw rolling around naked on a bed of sweeties, she has to get the paddle out and teach the girls a lesson.

Turning her back for just a moment, when she returns she catches the girls munching on the sweets, so Charmaine gives them something tastier to munch on-each otherís rugs! The lucky lucky girls earn redemption from their gluttony as they get to taste the sweetest thing of all – Mistress Sinclair's dripping pussy.

They say that imitation is the sincerest form of flattery. Mistress India however has taken things a step further and is obviously envious of Mistress Sinclair. After sternly explaining that Envy is a SIN, Mistress Sinclair takes India under her wing and lets her new protege loose on her own personal slave Steve Hooper, allowing her to fuck Steve and even letting her enviable slave spunk over the nicest duo of ebony tits.

Pascal's girlfriend Dylan DeVere is a sloth disguised as a BBW. She may be a big beautiful woman but she's not doing much but sitting

around eating junk food and poor Pascalís cock just isn't getting the attention it deserves. Mistress Sinclair to the rescue as she demands Dylan starts pulling her weight in this relationship and initiates some pure filth for the three of them to get up to in the bedroom.

Emma Butt is sick of her boyfriend Damian Duke's city-boy ways and blindfolds him and leads him off to Mistress Sinclair's dungeon where some shocking surprises await him. He's really taken to the depths of humiliation as he's forced to be a human rocking horse.

He thinks he's about to be given a respite as the girls explain that next he's going to get fucked by Mistress Sinclair, only he doesn't realise that he's the one who's going to get fucked, not her!

She gives his back door a good hard shafting with her shiny black strap-on making him wear a pig-mask as she rogers him. It's not all about him though, as Emma really does deserve a pleasuring. As with all things Mistress Sinclair does, it has a twist. She hands Damian a gimp mask with a Pinocchio-dildo-nose and instructs him to start fucking Emma face-first in this debauched final scene.

The Deadly Sins Of Mistress Sinclair is a rollercoaster ride of BDSM raunch and one not to be missed. Tune in to Television X, Sky channel 903 every Saturday night throughout August at 10:10pm as the ultimate pick in their month of birthday programming.

SORCERERS ON THIS LOT!

ACTION hero Nicolas Cage is a stuffy git. He gets to play the hero in most of his movies and then gets to star alongside some of the tastiest totty around.

His latest flick *The Sorcerer's Apprentice* has a trio of beauties in a tale of modern day magic and mayhem.

Casting her spell is Italian beauty Monica Bellucci as Veronika. This is a Disney movie, so we can't expect any flesh-flashing, but that didn't stop Monica, now 45, exposing everything in a string of Italian flicks in the 90s up to *Irreversible* in 2002 with a sizzling sex scene.

Taking a star role in the movie is Aussie Teresa Palmer, 24, who showed off her her Sorcerer's saucers in 2008 film *Restraint*.

And rounding off the trio is Alice Krige, a bit of a veteran now at 56, but back in 1981 she was as hot as fuck in *Ghost Story*.

You'll be able to catch *Sorcerer's Apprentice* at the cinema from August 13. We've seen a clip from it and it looks like a stormer!

Geordie MILF in back seat sex session!

TOP GOER!

SEE THE HARDCORE SEX VIDEOS! TEXT CARVID TO 89560

SIZZLING mobile phone footage of a horny blonde Geordie getting off in her fella's car is the talk of Tyneside!

Pubs and clubs are buzzing about the identity of the babe who has been seen pleasuring herself, administering expert oral to her fella and bending over the bonnet to enjoy a howling climax.

Her exploits in and on the 10-year-old banger have made this 30-something banger the star of the most-watched phone clip of all time in the north east!

The footage begins with the babe coyly pulling down her top to bare her breasts.

Her lover then persuades her to show her panties and she begins playing with herself.

The film then cuts to her in the back seat, frotting herself furiously and crying out in delight as she has her first orgasm.

DO *NOT* TEXT CARVID TO 89560 IF EASILY SHOCKED!

In a Tyneside accent, our office Geordie reckons it's a Gateshead lilt, she tells her man: "Reet, come here then, pet, and let me get a taste of that cock!"

He can't refuse and before long she's sucking away on his unit.

All the while asking him how she's doing. From his groans she's clearly doing very well!

He manages to stave off orgasm until she bends over the bonnet of the car and he rams into her until they both appear to climax together.

The final scene is of her using her panties to clean herself up and exclaiming: "Christ! How much did you give me there, pet! It's still coming out!"

BEATRICE IS A DALLE-IN!

HERE'S French babe Beatrice Dalle showing off her tits and chuff in the 1986 movie *Betty Blue* — and for good measure there's a bit of 'tool time' by her co-star (bottom right pic)!

Born in Brest, France, in 1964, *Betty Blue* was Beatrice's first film appearance, and the rest as they say is history.

She has over 40 movies and TV shows to her credit although most of them have been in her native France.

Never shy about getting her tits and fanny out for filmgoers Beatrice is still in demand for roles today and stars in a movie called *Jimmy Riviere* which is due for release later this year.

You beaut, Beatrice!

As you can see from the stills at the top of the page Rena doesn't mind getting her kit off for the camera — and that also seems to apply when she's on a night out with her chums in the pics below.

California-born Rena has over 45 movies and TV shows to her credit including *Showgirls, Striptease, Mulholland Drive* and *Married With Children.*

Even at 41 she still looks good but we hope she didn't leave a snail trail all over that nice limo!

Nights and Weekends

NO WONDER FUNNYMAN STILLER'S LAUGHING...

He's going down on Greta!

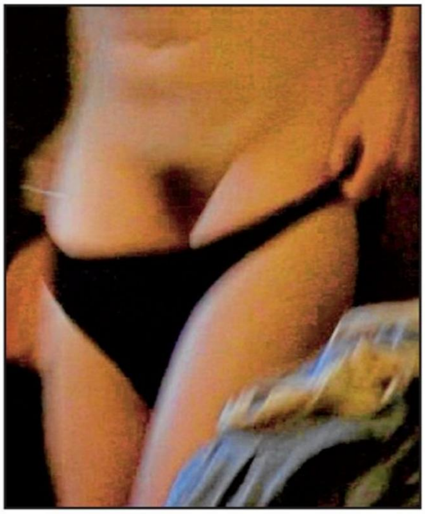
YANK funnyman Ben Stiller always goes down well with cinema-goers with his zany sense of humour, but here he is really GOING DOWN great guns on horny Greta Gerwig in new movie *Greenberg*.

Now Greta seemed a bit shy about showing off her lady-garden in *Greenberg*, but fear not 'cos we've tracked down these shots of her baring her tits and bush in the 2008 movie *Nights and Weekends.*

And just for good measure she's getting a bit of a seeing-to in the pic on the left.

In fact in one of the clips from that movie you can see the bloke has a semi on.

Perhaps that's why Ben's keeping below the level of bed, hiding his stiffy!



JAIME'S A BIT OF A HANDFUL!

YOU know what they say about tits fellas, 'any more than a handful is a waste' and juicy Jaime Murray seems to prove the point here.

These grabs are taken from the second series of the Yank TV show *Dexter* in which she appeared 24 times in the role of Stacie Monroe.

Born in London in 1977, Jaime's first taste of stardom was miming the lyrics in the 1996 original video of Stretch 'n' Vern's dance track *I'm Alive.*

Her first TV role came in the BBC TV series *Casualty* in 2002 before turning up in such shows as *The Bill, Doctors and Nurses*, *Hustle* and is currently starring in the sci-fi series *Warehouse 13* on Virgin 1.

The 33-year-old has over 30 TV and movie appearances to her credit and has four projects in the pipeline for later this year in *Devil's Playground, The Rapture, Possessions* and *Samuel Bleak.*

We'll be in raptures if Jaime gets her baps out in any of those!

GREAT NEWS... HORNY CZECH BABE SILVIA'S BACK IN ACTION!

SEXPOT Silvia Saint has come out of porn retirement with a bang — and a lot of BONKS!

The Czech cutie has ended her self-imposed exile from the porn industry with the intention of arousing guys and girls worldwide.

She said: "I'm happiest when I'm having fun and I can't think of anything more fun than sex.

"I do love to travel, and stay in nice hotels and we all know what happens in nice hotels.

And it's not just lucky fellas that 33-year-old Silvia turns to in order to satisfy her burning desires.

The stunna said: "There is something absolutely beautiful about a woman. Her smell, touch even the cute little outfits we get to wear.

"Of course, I fantasise about women. Women know how to make other women feel good. They know what we like, what we don't, and what we REALLY like.

"Women have the most incredible figures. Breasts are so supple and so fun to play with."

Silvia's solo shows on her website have become almost as legendary as the gold vibe she uses to pleasure herself.

She said: "Oh Goldie. Yes, she is a good friend of mine. I do enjoy toys, they are a good alternative or addition to the real thing and can do things that other people just can't.

"Every toy is a new experience. I would try every one unless I had good reason not to! I love anything that is long, strong and battery operated.

"The feeling is incredible and you can use them in so many places even up my bum."

This saucy porn queen also admits she gets off on the thought of her fans w**king as she plays with herself on camera.

"That is all me. It's what you would see if you were in the room with me, or if you were with me instead of Goldie. I guess it's just a natural reaction.

"I am just enjoying myself. It's a pretty big turn-on to know that people will be touching themselves when they see me touching myself so maybe I think about that."

Fuckin' hell, we're touching ourselves right now Silvia. Oh bollocks, we've smegged again!

A MAN walks into a posh restaurant, sits down and calls the waiter over and tells him: “I want to see the cocksucking motherfucking boss now!”

The waiter is a bit taken aback and says: “Would you please refrain from from using that kind of language in here sir. I'll get the manager as soon as I can.”

When the manager comes over the bloke greets him with: “Are you the chicken fucking manager of this bastarding joint?”

“Yes sir, but I would prefer it if you did not use that kind of language.”

The bloke replies: “Screw you anus features. Where's the fucking piano?”

The manager is a bit puzzled and asks the man to explain himself.

“Are you fucking deaf or what? Where's the twatting piano?”

“Ah”, says the manager, “you've come about the pianist job we advertised in the paper.”

“Too fucking right”, came the reply.

The manager takes him over to the piano but begs him not to speak into the microphone and asks: “Can you play any blues?”

The bloke starts to play the most beautiful blues ever heard. “That's superb”, gasps the manager, “What's it called?”

The fella replies: “I want to shag your missus on the sofa but the springs keep hurting my knob-end.”

The manager is a little perturbed and asks him: “Well do you know any jazz?”

The man plays the most melancholy piece of jazz the manager has ever heard.

“What's it called?” asks the boss, to which the fella replied: “I wanked over the washing machine but my bollocks got caught in the powder drawer”.

The manager is now a tad embarrassed and asks: “Do you know any romantic ballads?"

The bloke plays the most heart wrenching melody ever. “That was great", crooned the manager, “What's it one called?”.

“Shagging sheep under the stars with the moonlight shining on my hairy ring piece”, said the fella.

Even though the manager finds his language totally repulsive, he's so moved by his music that he hires him on condition that he never introduces his songs.

The fella agrees, and things for great for a couple of weeks.

Then one night the pianist sneaks off to the loo for a wank.

Just as he is coming he hears the manager shouting: “Where the fuck is that pianist?”

So he whips up his trousers and returns to the piano and starts to play.

After a couple of minutes a woman approaches him and whispers: “Do you know your bollocks and knob are hanging out of your trousers dribbling jizz all over your shoes?”

“Know it”, replied the pianist, “I fucking wrote it!”

Q: Why did the woman cross the road?
A: Never mind that, what the fuck is she doing out of the kitchen?
Q: Why is a woman's pussy like a warm toilet seat?
A: They both feel good, but you wonder who was there before you.

Q: What do bungee jumping and hookers have in common?
A: They both cost £50 and if the rubber breaks, you're fucked.

Q: What does a 75-year-old woman have between her breasts that a 25-year-old doesn't?
A: Her navel.

BUSINESS was good at the local whorehouse and the madam decided to partition off one of larger rooms.

After the work was done the carpenter asked for payment but was put off.

After several weeks he still hadn't been paid and he regularly threatened: “Pay me or I'll rip out the partition.”

Finally the madam offered to pay him in kind. “Take any girl in the house and have your pleasure with her,” she said.

“I'll have you,” he said.

“Me? I'm an old lady. Take one of those young, good looking chicks,” the madam said.

The carpenter replied: “No I want you.”

She agreed and he took her upstairs, removed her clothes, laid her on her back, put one finger in her pussy and one finger in her arse.

“What are you doing?” she asked.

He replied: “I told you before. Pay me or I'll rip out the partition.”

AN old man woke up in the middle of the night and found, to his astonishment, that his knob was as hard as a rock for the first time in two years.

He shook his wife by the shoulder until she woke up and showed her his enormous boner.

“Check this out!” he happily exclaimed.

“What do you think we should do with it?”

With one eye open, his wife replied: “Well, now that you've got all the wrinkles out, now would be a good time to wash it.”

TWO five-year-old boys are standing at the toilet having a pee.

One says: “Your thing doesn't have any skin on it!”.

“Yes I know, I've been circumcised,” the other replied.

“What's that mean?” asked the first one.

“It means they cut the skin off the end,” said the other.

“How old were you when it was cut off?” the first one asked.

“Mum said I was two days old,” the other said.

“Did it hurt?”, the kid asked inquiringly.

“You bet it hurt, I didn't walk for a year!” the second one replied.

A YOUNG girl was having a heart-to-heart talk with her mother on her first visit home since starting university.

“Mum, I have to tell you,” the girl confessed. “I lost my virginity last weekend.”

“I'm not surprised,” said her mother. “It was bound to happen sooner or later. I just hope it was a romantic and pleasurable experience.”

“Well, yes and no,” the pretty student said. “The first eight guys felt great, but after them my pussy got really sore.”

Q: What do you call a bloke who cries while he masturbates?
A: A tearjerker.

A TOURIST arrived in Australia, hired a car and set off for the outback.

On his way he saw a bloke shagging a sheep. Deeply horrified, he pulled up at the nearest pub and ordered a straight whisky.

Just as he was about to throw it back, he saw a bloke with one leg wanking furiously at the bar.

“For fuck's sake!” the bloke cried, “what the hell's going on here?

“I've only been here an hour and I've seen a bloke shagging a sheep, and now some bloke's wanking himself off in the bar!”

“Fair dinkum, mate,” the bartender told him, “but you can't expect a man with only one leg to catch a sheep now can you!”

THREE morticians were talking about their greatest feats.

The first one said: “I had a soldier who stepped on a land mine and it took me three days to get him ready for an open casket funeral.”

The next one said: “ I had a worker run over by a steam roller, but I had him ready for an open casket funeral in two days!”

The third one said: “I had this lady parachutist who landed on the Empire State building and it took me four days to get the grin off her face.”

Many happy returns!

IN this edition we send birthday greetings to one of the world's most stunning women, Charlize Theron.

The South African-born babe will be 35 on August 7 and now has over 60 movies and TV appearances to her name.

Charlize made her film debut in the 1995 movie *Children of the Corn,* then two years later stunned audiences around the world when she stripped off in the acclaimed *The Devil's Advocate.*

But as far as we can tell, that's the only time she's flashed her beaver — she's gone nude in a number of movies but always kept her back to the camera — drat and double drat!

She has six movies in the pipeline at the moment so we're hoping to see a lot more of the gorgeous Charlize.

SECRET SEX VID OF TV SINGING STAR!

You'll know who she is when you see her in action!

LISTEN to the noise this songbird makes with eight inches of fella inside her.

When this sensational footage arrived in our offices anonymously last week we couldn't believe what we were watching.

One of Britain's favourite singers NAKED on a bed and enjoying a huge penis!

Her microphone technique on stage may be good but the expertise with a penis is world class.

She is seen licking the glistening shaft, taking the shaven balls into her mouth and deep-throating the lucky fella almost to the point of no return.

She then climbs on to him and in reverse cowboy position rides him enthusiastically until she reaches a noisy climax.

He then gets to finish off all over her magnificent breasts. Our lawyers say we can't name her but we can run this vid and let you see for yourself.

You'll be amazed. But be warned, this is one of the hottest vids we've ever offered for download, so it's strictly 18s and over.

CAROL'S A BUM-DERFUL BABE!

IN the last few editions we've brought you two hot babes sharing some bathtime fun, but this time around we have a selection of scintillating pics that a reader sent us of his wife cavorting round her bathroom.

Dave Greenside of the Lake District (that's as much as we're telling you) took these snaps of wife Carol as she prepared to give her ladybits their weekly scrub.

And we have to say that he's a very lucky chap, 'cos Carol's got one of the best derrieres we've ever seen — not to mention cute tits and a very neatly trimmed glopholder!

While watching her handsome gardener at work, slutty wife Sarah Kelly ends up inviting him in, and getting a good hard fucking in the middle of her kitchen.

Hot wife Tanya Tate ends up making a desperate phonecall and hiring a male escort. She doesn't know what hits her when he turns up and gives her her money's worth in stiff throbbing cock action . . . but with a price.

THE TIME MACHINE...

CHRISTY CANYON

IN this issue we salute one of the most popular porn stars of the 1980s and 90s — American babe Christy Canyon. And what a grand canyon she's got!

Christy was born in Pasadena, California, in 1966 and has appeared in almost 200 adult films, winning several "best female performance" awards.

In 2005 she had fellas reaching for the tissues when she said in a radio interview that although she had protected sex with her male co-stars on screen, she shagged each one BARE BACK off camera before filming their sex scenes!

Talk about too much of a good thing! Bet her male co-stars couldn't believe their luck.

Christy has now retired from making porn movies and works as a host for Playboy Radio as well as running her own website.

The all-star cast includes Sam Worthington, Liam Neeson, Ralph Fiennes and Gemma Arterton and tells of the ultimate struggle for power, as men are pitted against kings and kings against gods.

Born of a god but raised as a man, Perseus (Worthington) is helpless to save his family from Hades (Fiennes), the vengeful god of the underworld. But with nothing to lose, Perseus volunteers to lead a dangerous mission to defeat him before he can seize power from Zeus (Neeson) and unleash hell on earth.

Based on the 1981 movie of the same name, the behind-the-scenes team includes Oscar-nominated visual effects supervisor Nick Davis and prosthetics wizard Conor O'Sullivan, who was also nominated for an Academy Award.

DEATH WARRIOR (E1 Entertainment). Out to buy on DVD now

THIS knockout movie released EXCLUSIVELY on DVD by E1 Entertainment, is a hard-hitting, underground mixed martial arts thriller where failure leads to death!

Starring some of the biggest and best Ultimate Fighting Chamionship fighters, including current UFC Welterweight title-holder Georges "Rush" St Pierre and former UFC Light Heavyweight Champ Quinton "Rampage" Jackson — who also stars as Mr T in the new version of *The A Team* — **Death Warrior** is packed full of suspense and action.

Featuring some imaginative fight scenes where there are no rules, **Death Warrior** follows the story of Rainerio Isandro, played by Hector Echavarria. The film also stars Keith "Dean of Mean" Jardine and "Sugar" Rashad Evans as they transfer their mixed martial arts skills from the Octagon to the big screen.

Undefeated MMA champ Isandro is about to retire to live a quieter life with his wife when he is forced to enter the warped world of underground fighting after his missus is kidnapped.

Run by a vicious and unscrupulous gang, the fights are broadcast on the internet and people place bets on who will win.

But in these ultra-violent battles, winning means KILLING your opponent and Isandro knows that he must fight other blackmailed MMA fighters in a bid to make it to the ultimate showdown and become the one and only Death Warrior so he can save his wife!

FROM PARIS WITH LOVE (Warner Home Video). Out to buy on Blu-ray, DVD, On Demand and Digital Download now

ACTING legend John Travolta and Jonathan Rhys Meyers star as CIA agents in this adrenalin-fuelled thriller.

Living an enviable life in Paris, James Reece (Meyers) works as a personal aide to the US Ambassador.

Unsatisfied and desperate for a taste of real action, he snaps up the chance to take on his first real CIA mission.

Partnered with wise-cracking and trigger-happy special agent Charlie Wax (Travolta) in a race to stop a deadly terrorist attack on the French capital, his action fantasy quickly becomes a living nightmare!

Thrust into the violent Parisian underworld, he finds himself in the ultimate fight for his life against the highly-dangerous crime ring that the two operatives are trying to bust.

And, in an electrifying showdown, it seems that brash, straight-talking agent Wax may be Reece's only hope for making it through the next 48 hours alive.

BASH! CRUSH! SLAM!

SUPER CARLO

MUSIC NEWS

EARACHE Records are continuing their low-priced CD campaign with the addition of two new releases over the coming months. The first release is from Californian thrashers **BONDED BY BLOOD** (*right*).

Their new album, **EXILED TO EARTH** is a brutal affair packed with baretta drums and grinding guitar licks.

It's an album with a real old-thrash feel with a sound similar to early Exodus and Kreator – but with an altogether more chiselled sound.

The second low-priced release from Earache comes courtesy of Detroit deathcore destroyers **AND HELL FOLLOWED WITH** (*below*) and their excellent **PROPRIOCEPTION** album – a pummelling piece of work packed with gut rumbling bass lines and demonic guitar assaults!

During the current age of recessions and economic crises, in which music sales are declining as fans demand better value for their money, many record labels and retailers continue to sell CDs at high prices.

Kudos to Earache Records and their low-priced CD campaign, offering fans who are on a tight budget a selection of new releases at an affordable price.

Earache's two newest additions to the low-priced CD campaign, **BONDED BY BLOOD's EXILED TO EARTH** and **AND HELL FOLLOWED WITH's PROPRIOCEPTION**, are available to pre-order now throughout Europe from Play.com for the astounding price of just £4.99 or 6.99 euros and will be released later this month.

OF MICE AND MEN BY OF MICE AND MEN

FANS of the current re-emergence of metal and in particularly the grindcore genre's leap into the mainstream will love **OF MICE AND MEN**'s eponymous debut album.

Blazing through the furrow laid out by recent metal success stories **UNDEROATH, BRING ME THE HORIZON** and **A DAY TO REMEMBER** Of **MICE AND MEN** bring their own brand of extreme, high energy music to the table.

The band's likeability is lamented by the massive amount of attention garnered by the quintet with over three million MySpace plays at last count.

The secret to the lads' popularity isn't complicated.

In a music scene spilling over with dance beats, **OF MICE & MEN** put their faith into the six-string and focused on rocking with more backbone than most acts out there.

Lead vocalist **JERRY ROUSH** can death growl with the best of them, putting his vocal chords through the grater on tracks like opener **YDG, THEY DON'T CALL IT THE SOUTH FOR NOTHING** and **THOSE IN GLASS HOUSES**.

There's some more than impressive shredding to be enjoyed too, blistering riffs are poured over precision and sky-caving bass lines.

The result is an album that paves the way for extreme metal and leaves the listener exhausted while all the time hungry for more!

Fresh from their recent **WARPED** tour dates in the U.S. **OF MICE AND MEN** will be playing a couple of dates here in good old blighty in October, the details of which are as follows…

OCTOBER 2010 UK DATES w/**AUGUST BURNS RED** and **BLESSTHEFALL.**

Saturday October 9 Manchester Academy 3
Sunday October 10 02 Academy Islington

Of **MICE & MEN** will also be releasing their debut self-titled album on September 21 through Rise Records.

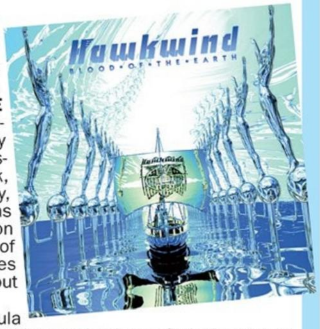
BLOOD OF THE EARTH BY HAWKWIND

SEMINAL space rockers and grandfathers of the stoner genre **HAWKWIND** cement their union with new home Eastworld recordings with their latest masterwork **BLOOD OF THE EARTH**, a storming return to form for the legendary outfit and their first original recording for an hiatus of five years.



And what a welcomed return it is too.

Produced by the band themselves, **BLOOD OF THE EARTH** takes the listener on a journey through crushing visceral space rock, doom driven poetry, whimsical mantras and imagination opera. An example of humans and machines pulsing in harmony out into the void.

Lyrically, the formula of themes (namely urbban and science fiction) come to the musical fore once again with **DAVE BROCK** sounding every bit the the preaching astral wizard he did all those years ago.

BLOOD OF THE EARTH is just what **HAWKWIND** fans old and new have been waiting for.

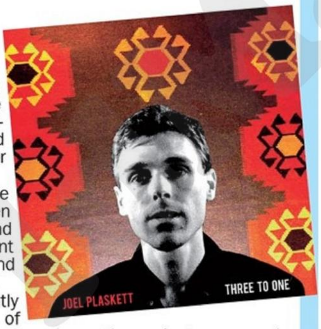
THRRE TO ONE BY JOEL PLASKETT

HAVING non other than ex-**BEATLE** and all round music legend **SIR PAUL MCCARTNEY** as a number one fan never did any up and coming artist any harm!

This is the case with Canada's latest quality export **JOEL PLASKETT.**



On his latest long player, **THREE TO ONE** (a compilation of the best bits from his recent triple album **THREE**, hence the title) **JOEL** delivers a fantastic blend of folk and superior balladry.

Musically the album is a joy to listen too, energetic and wistful one moment and then relaxing and reflective the next.

There's currently something of a glut of folk bands doing the rounds on the mainstream music circuit at the moment with the genre already given us such success stories as **FLEET FOXES**, **AVI BUFFALO** and **ANIMAL COLLECTIVE** to name a few.

However Joel's uncanny knack for sculpting memorable melodies and his lyrical prowess lifts him to the top of the pile **THREE TO ONE** is an excellent and memorable piece of work!

GOOD STUFF!

RUSH: BEYOND THE LIGHTED STAGE

RUSH: BEYOND THE LIGHTED STAGE is the first ever in-depth look at the history and influence of the legendary multi-million selling rock band Rush, taking you on a unique journey documenting their illustrious career and evolution from conception to present.

From the makers of **IRON MAIDEN'S FLIGHT 666**, the film combines brand new candid band member interviews and performance footage with material from the massive **RUSH** audio-visual archive, alongside interviews with some of the world's biggest rock stars who have been influenced and inspired by the band's music, - including members of **METALLICA, FOO FIGHTERS, SMASHING PUMPKINS, KISS, RAGE AGAINST THE MACHINE, NINE INCH NAILS,** actor and **TENACIOUS D** frontman **JACK BLACK** and many more. This is THE must own item for fans of the Canadian prog behemoths and fans and historians of progressive music alike.

BLACKBOX NOISE-CANCELLING i10 EARPHONES. For more information, go to www.blackboxonline.com

BLACKBOX has just launched these fab new earphones specially created and designed for iPod and iPhone users — and I was so bowled over by them that I bought the company. Only kidding, but if I had the dosh I would!

In a UK first, the **i10** earphones are powered directly by the device through Apple's unique 30-pin dock connector and are designed to improve the device's sound quality and provide a clear and authentic listening experience through Active Noise Rejection™ (ANR) technology.

The earphones also offer maximum comfort, wearability and style with an integrated monitor function and volume control which is ideal for listening to music on the go.

They provide an enthralling listening experience with deep bass, clear vocals and natural highs by cancelling 92% of background noise using ANR technology provided by Phitek Systems, a global leader in electro-acoustic technologies and active noise-cancellation. ANR is a unique patented technology that virtually eliminates disturbing background noise which works by intelligently measuring the noise field in the ear before calculating and reintroducing an "anti-noise" response, resulting in near silence by continuously adapting to the prevailing noise conditions.

Is that amazing, or what?

The **i10** earphones are £79.99 RRP and are available to order now from Amazon.com and Play.com

And proving that size really doesn't matter, the acoustically-tuned wooden cabinet creates an exceptional bass sound that can be refined by a six-position equalizer and separate bass and treble controls.

With a dock for an iPod and DAB/FM RDS radio with 20-station presets, this makes a perfect accompaniment for almost any room in the home, including the bedroom.

As with other Roberts sound systems, the clock functions include multi-function alarms so you can choose whether you wake up to your iPod, the radio or a buzzer and there is also a snooze function if you've had a particularly heavy night of lurve — or just got bladdered the night before!

The screen's ice blue display backlight can also be dimmed for sleeping.

Other features include an adjustable sleep timer, low power standby, a USB line-in, headphone socket and a remote control.

Angela Stone

WHO SAID COLLEGE LIFE WAS DULL?

IF this is what life is like on campus we'll be enrolling this week!

These grabs are taken from this year's movie *Sorority Girls 3D* which shows a sizzling game of "Truth or Dare," in which pledges are put through their paces by the head of the sorority house.

And because the film is shot in full-color 3D, you feel like you can almost reach out and touch them, mmmm, bring it on!

Co-starring Jassie James, Penny Flame and Angela Stone, it won't be the best movie you've ever seen, but the thought of reaching out and getting a handful of these babes will keep us happy.
